Measurements

The blanket measures approx. 70x100cm, which is equivalent to the size of a baby duvet.

Materials

- 7 skeins of [Infinity Hearts Baby Merino](#)
- [Crochet hook size 4mm](#)
- [Darning needle for weaving in ends](#)

Abbreviations

s = stitch
sl st = slip stitch
ch = chain stitch
dc = double crochet
tr = treble
BO = bobble (made with 6 unfinished treble stitches)
() = Number of stitches on the row
rw = row
" - " = Indicates what to repeat x amount of times

Crochet Tension

16 tr x 10 rw = a square of 9x9cm.

Crochet Pattern - diagram

The blanket is crocheted in the same pattern throughout. The pattern consists of 8x11 squares.

The diagram below illustrates the first 4x4 squares of the pattern. Therefore, the total number of stitches (the horizontal lines) and the total number of rows (the vertical lines) are not illustrated in a diagram.

White: 1 ch to skip 1 s

Grey: 1 tr

Black: 1 BO

10. rw : You start the row with 3 ch and you make the first tr in the 6th stitch from the crochet hook. Then you crochet "1 ch, skip 1 s, 1 tr" x 6.

The rest of the row you repeat the following 8 times: 1 BO in the ch curve from the previous row, " 1 tr, "1 ch skip 1 s, 1 tr" x 7 (127)

Photo guide 10th rw

1. Begin the row with 3 ch and then crochet 1 tr in the 6th stitch from the crochet hook.
2. "1 ch, skip 1 s, 1 tr" x 6

4. " 1 tr, "1 ch, skip 1 s, 1 tr" x 7

You then repeat row 1-10 until you have 109 rows (so, the last row of the blanket is made without bobble stitches). You should count 11 squares on the blanket's long side.

Note that when you crochet on from the 10th row, you should crochet into the chain stitches (and not around them).

Edge

You finish the baby blanket by crocheting 3 rounds of dc all the way around. In the corners, you crochet 2 dc in the same stitch 3 stitches in a row. You finish the edge 1 sl st and weave in all ends.
