Free Tunisian Crochet Pattern: Linen Headband

[Download PDF here](#)

This cosy and warm headband has a nice linen-like structure made with Tunisian crochet. If you are new to Tunisian crochet, don't worry! This headband is the perfect project for beginners.

The headband is made with [Infinity Hearts Lily](#)

Size

This crochet pattern comes with 6 different sizes: Baby (Toddler) Child (Tween) Female and (Male).

The headband can be made in 2 widths; small and large.

The finished headband has a circumference of: 36cm (41cm) 46cm (51cm) 53cm and (56cm)

A size small has a width of 7.5cm, while a size large has a width of 10cm.

Materials

- Yarn: [Infinity Hearts Lily](#)
- Crochet hook: 6.0mm. [Tunisian crochet hook](#) – or a normal crochet hook without a grip/handle.
- Crochet tension: small is 11 tss & large is 14 tss

Yarn consumption

- 1 skein of yarn in the colour [08 Pearl Grey](#)
- 1 skein of yarn in the colour [13 Blue Purple](#)

Both yarns are made of 70% Cotton and 30% Superwash Merino Wool

Abbreviations

tss = Tunisian simple stitch

sl st = slip stitch

cl = closing row

C1 = Colour 1

C2 = Colour 2

Tunisian crochet how-to

Start with a ch row. Start the first round by inserting the needle through the 2nd ch from the crochet

hook, yo hook and pull it through the stitch. Insert the hook through the ch and continue this for the rest of the round. All new stitches are now on the needle and you have the number of stitches that the pattern should have.

Do not turn the work, but start like this: Yo, pull the thread through the first stitch. * yo, pull the thread through 2 stitches * repeat from * - * for the rest of the round. Note that the number of stitches is kept constant each time you pick up stitches. This technique provides a dense material of squares as well as a clear front and back.

On the next row, pick up the strand through the vertical strand from the previous row **(see the ring in the picture)**.

In this pattern, two different colours have been used. The last stitch in a row must be picked up through two strands of different yarn as shown in the picture.

Instructions

1. Make 11 sl sts (14 if you make a size **large**) with C1.
2. Pick up a thread in each sl st. Switch to C2 and make a closing row. (11 for size **small**, 14 for size **large**)
3. tss in each stitch, change to C1 and cl.

4. tss in each stitch, change to C2 and cl.

Repeat steps 3 and 4 until the work measures respectively 37cm (42cm) 47cm (52cm) 54cm or (57cm) when stretched.

Cast off and leave a long strand for sewing later.

The linen headband is made from a flat piece and sewn together to make the twisted knot detail.

Assembly

1. Lay the piece flat, and with the right side (the side with the TSS stitches) facing up, pinch the two ends of the piece together into two V's. Place them as shown in the picture above.
2. Sew the ends together as shown with the red dotted line. Make sure you get all 4 ends.
3. Weave in all loose threads, turn the work right side out and voila, then you have a warm and cosy headband with a twist.
