## Free crochet pattern face scrubbies

[Download PDF here](#)

Make your own reusable face scrubbies to minimize the use of cotton pads, which can only be used once and produce extra waste. The face scrubbies additionally look decorative in the bathroom and are also perfect as a little hostess gift. If you are at a beginner-level, the face scrubbies are a good

project to start with because they are neither complicated nor time-consuming.

The face scrubbies are crocheted in the very nice cotton yarn [Infinity Hearts Lotus](#) with a crochet hook of 2.5 mm. One ball of yarn produces around 10 face scrubbies. If you want your face scrubbies to be a little thicker, you can crochet with double thread and choose a slightly larger crochet hook.

## Measurements

Approx. 7 cm

## Materials

- Approx. 5 g [Infinity Hearts Lotus 8/4](#) per face scrubby
- [Crochet hook](#) size 2.5 mm
- [Darning-needle](#) for weaving in ends

## Instructions

It's important to crochet the face scrubbies rather tightly, but if you find that your finished face scrubbies are bending too much you can settle for 8 or 9 treble in the magic ring.

1. Make a [magic ring](#).
